

NOTICE

It is to inform all the district associations that as per the prospectus issued by TTFI for the National Ranking Table Tennis Championship 2023 to be held at Telangana, State Affiliated Units can send additional entries of players in respective categories.

In view of the above, since Gujarat state is yet to conduct its 1st tournament of the season, there are some players who because of age restrictions are being placed in new categories and do not figure in the state ranking list.

So as to facilitate such players and for the benefit & upliftment of the game it is felt necessary that we may follow the mode adopted by TTFI and remove any restrictions regarding participation of players in National tournaments.

Hence, district affiliated units are hereby informed that they can send additional entries of players for the ensuing national tournaments.
